Sub:CGM/Comml/TSNPDCL/Wgl–Time limits for completion of works involving
the Right of Way (RoW) permissions – Instructions issued – Regarding

&&&&&&

The Business Reforms Action Plan (BRAP)–2017 madates the time limits for
completion of the works involving the Right of Way (RoW) permissions.

In view of the above the following are the time limits set for release of electricity
connection (up to 150 KVA):

A). 7 days from the date of application or payment of required deposits or date
of submission of CEIG approval whichever is later, even if extension of network is
involved and no right of way is required.

B). 15 days from the submission of CEIG approval or payment of required
deposits whichever is later, where right of way permission is required.

Hence, it is instructed to adhere to the above time limits for the release of the
services registered in TS-iPASS which require Right of Way (RoW) permissions.
