&&&&&

Further to the letter vide reference 3rd cited, the following modified instructions are issued on the suggestions made by the Government of India in improving the “Ease of doing the business” in the States and assessment framework for ranking the States in “Ease of doing the business” with a request to adopt the suggestions made by the Government of India to ensure that the Telangana State is ranked on high in the comparison.

For the implementation of action points suggested by the Government of India, the following instructions are to be followed:

- I. Only 2 documents are required from the applicant for obtaining electricity connection
 - a. Ownership documents.
 - b. MoA/partnership Deed.
- II. The time required for release of electricity connection is as follows:
 - a. Within 15 days from the date of application where no extension of network is involved and payment of required deposits whichever is later.
 - b. 15 days from the submission of CEIG approval and payments of required deposits whichever is later where extension of network is involved.

All the Superintending Engineers/Operation are requested to adhere to the above instructions scrupulously.

Chief General Manager
Commercial, TSNPDCL, WGL
