Accordingly, they have prepared estimates for 12 Nos. agricultural 3x25 KVA DTRs vide WBS No.A-1201-02-04-02-04-035 and submitted to Assistant Divisional Engineer/Operation/ Bhupalpally and Divisional Engineer/Operation Mulugu to accord the sanction. They have also submitted that within 30 days, the work will be completed as per the report dated. 07.03.2013. Based on the estimate sanctioned by the concerned officials, the respondents are directed to take up the work and erect 3x25 KVA agricultural DTRs at Gudadpally to overcome the problem of additional load on the present existing transformer duly following the departmental rules in vogue.	Closed	Poles erected.Work under progress,Double compliant for the same work against CG.No.311/2013.Hence case is closed.
140	321/2013 11.02.13	Sri V.Venkateshwar Rao, Head Master Zilla Parishad High School, Gatlakanaparthi-Village, Shyampet-Mandal, Parkal, Warangal-Dist. SC.No.61, Cat-VII	Excess bill	The respondents are directed to revise the already issued C.C. bill for the period of meter stuck up i.e., 10/2009 & 11/2009 taking into consideration of the preceding three months units average for the period from 07/09 to 09/2009, then it will come about 192 units per month. The average units calculated shall be adjusted from the C.C. bill already issued for the said period, accordingly whatever amount comes for withdrawal if any excess claimed shall be reduced and issue the revised bill to the consumer for payment to redress his grievance amicably. The complainant is also requested to pay the whatever amount arrived by the respondents after revise the C.C. bill for the stuck up period against his service connection.	Implemented	Implementation report received Vide Lr.No. AAO/ERO/PKL/JAO(B)/BS(HV)/D.No.1014, Dt.18.03.13.

141	327/2013 16.02.13	Sri Venu Gopal Rampur-Village, Dharmasagar-Mandal, Warangal-Dist. SC.No.58, Cat-V	Excess Bill	Due to agricultural S.C. No. 1585 running under 7:00 hours power supply line and agricultural S.C. No. 58, running under 24 hours power supply line instead of 7:00 hours supply the respondents were disconnected the agricultural S.C. No. 58 and also segregation work has completed on 21.02.2013. Now the both services are running on seven hours supply line only as per the report of respondents. Both lines i.e., (24 hours supply & 7 hours) are running in the same premises. It may be caused for accidents, hence the respondents are directed to shift lines separately under improvement scheme on account of safety measures. Remove 24 hours supply line and DTR from the premises of seven hours supply line by changing from LT to HT and fix the 24 hours supply line in the premises of service of poultry form if it is possible. Further, the respondents are directed to take preventive measures not to utilize the power supply from 24:00 hours supply line by the complainant duly conducting frequent filed inspections and take necessary action as per the departmental rules.	Resolved	
142	328/2013 19.02.13	Sri V.Rajesh H.No.16-1-1145/1, SRR.Thota, Kareemabad, Warangal-Dist. SC.No.15164-74187, Cat-I	Additional load	The respondents have taken appropriate steps for redressal of the grievance of the complainant amicably in connection with imposing excess amount for additional load booked against the S.C. No. 15164-81040, Cat-II, Meter No. 538397. Accordingly, the respondent Additional Assistant Engineer/Operation/ Kareemabad has inspected the consumer premises and he has recorded correct load particulars against this service connection and revised the additional load of 1055 Watts instead of 3550 Watts and withdrawn the additional load amount as per the report submitted by him to the Forum dated. 28.02.2013. Accordingly, the Assistant Accounts Officer/ERO/Warangal has reduced the load from 4 KW to 2 KW as per the recommendation of Additional Assistant Engineer/Distribution/Kareemabad vide RJE No. 115 of 02/2013 against development charges Rs. 2000/-, security deposit 400/- total Rs. 2400/-. The Superintending Engineer/Operation/Warangal is directed to conduct a detailed enquiry on the allegations made by complainant in his petition lodged at Consumer Grievances Redressal Forum against the Lineman Sri. Shailesh Kumar in connection with demanding an amount of Rs. 10,000/- from the complainant. On receipt of enquiry report take necessary action	Implemented	
143	329/2013 19.02.13	Sri Md.Kaseem S/o.Peer Saheb, Thanedharpally-Village, Station Ghanpur-Mandal, Warangal-Dist. General. The respondents are directed to redress the grievance of the complainant if he come forward to give consent letter for payment of shifting charges to shift the Pole No. 7 which is located in Thanedarpally -Village in Operation section, Ghanpur.	Implemented	
144	330/2013 21.02.13	Sri B.Madhu S/o. Late Venkateswarlu, H.No.16-1-444, SRR Thota, Kareemabad, Warangal -Dist. SC.No.2222,3430,3431,3429, Cat-I	Removal of service connection	The electricity service connections should not release in the private land to the unauthorized persons by collecting Indemnity Bond, Voter ID and Ration Cards etc. They must be a owner of the property to get the service connection only. Is there any relaxation permitted by the Company for releasing of services to the people who are living in huts by occupying Government Land may be followed, but not in private lands.	Implemented	

145	332/2013 25.02.13	Sri K.Kumara Swamy & Others Chennaram-Village, Wardhannapet-Mandal, Warangal-Dist. General.	Over load of sanction transformer	The respondents are taking appropriate steps for redressal of grievance of the complainant in connection with providing additional DTR to solve the low voltage problem amicably. Accordingly they have prepared an estimate for erection of 3x25KVA DTR to give overload relief to the existing SS-7 100KVA DTR at Chennaram for getting approval. The Divisional Engineer/Operation/Rural/ Warangal is directed to take necessary action to accord the sanction on the estimate submitted by the concerned Assistant Engineer & Assistant Divisional Engineer to redress the grievance of complainant amicably immediately. Soon after sanction accorded by the concerned Divisional Engineer, the respondents are directed to take up the work and redress the grievance of the complainant.		Work under progress
146	341/2012 16.03.13	Sri R.Ilaiah & Others Medipally Grama Rythulu, Medipally - Village, Hasanparthy - Mandal, Warangal-Dist. General	Low voltage problem	The respondents have taken appropriate steps for redressal of grievance of the complainant amicably. Accordingly, they have prepared an estimate on T&D improvements scheme and submitted to the higher authorities to accord sanction. The Divisional Engineer/Operation/Rural/Warangal is also directed to take appropriate steps to accord the sanction on the estimate proposals submitted by the respondents as early as possible, so that the grievance of complainant can be resolved amicably without any delay. Soon after, sanction accorded by the Divisional Engineer/Operation concerned, the respondents are directed to take up the work in connection with erection of 1x 100 KVA DTR to give over load relief to the existing SS-III, 100 KVA DTR, at Madipally-Village of Chinthagattu-Town Section and redress the grievance of the complainant as early as possible without any delay.
